

Art Revealing the Gunfire Epidemic

Make a **SOUL BOX**

Use medium weight paper 8 1/2" square.

Watch a video demonstration.

First make the **BOX BOTTOM**. #1 Begin with the side of the paper you want showing face UP, fold in half both ways. #2 TURN the paper over. #3 Fold the four corners into the center point.

#4 Fold the top and bottom to the center so it looks like #5, then unfold. Open the top and bottom flaps. #6

#7 Fold each side into the center and crease #8. Open the flaps to an upright position to form the sides of the box.

#9 While holding the side flaps open push in the diagonal folds between fold B & C with index fingers, forming figure #10 WATCH THE VIDEO

#11 Fold the flap along fold B to the inside, so fold A meets fold C. #12. Repeat on other end. **Stuff this box bottom** with a crumpled sheet of paper to keep it from getting crushed.

BOX TOP

Repeat steps #1-3. In steps #4 and #8, make this top slightly larger by folding the sides a little shy of center leaving a 1/8" gap for most papers, slightly larger for heavier papers. Continue through step 12.

In the 15 minutes it takes to fold one Soul Box, another person in the U.S. was killed or injured by gunfire.

Now, personalize your Soul Box with art or words expressing your feelings about the gunfire epidemic. If a friend or family member was shot, this is a thoughtful way to remember or honor them by name.

Counting. Caring. Connecting.

You can raise awareness:

Display your Soul Box locally or post on social media.
